## Approval Renewal Application Institutional Review Board

This form is to be completed when researchers either need to renew a project or to make changes to an already approved project involving the use of human subjects. Completed forms must be submitted as a single PDF to [irb@wells.edu](mailto:irb@wells.edu).

### Project Information

Primary Investigator: \_\_\_\_\_

Title of Project: \_\_\_\_\_

IRB Project Identification Number: \_\_\_\_\_

Original Project Approval Date: \_\_\_\_\_

### Application Type:

*Renewal Only:* Please attach an updated project timeline and rationale for this extension.

*Renewal With Changes:* Please attach a thorough description of any changes you are proposing to the previously approved protocol. Relevant changes include but are not limited to the following: changes in subject population, changes in recruiting methods, changes in procedures including modified survey or interview questions, changes in consent criteria including issues of time involvement and levels of confidentiality, any changes which might affect the vulnerability of research participants to more than minimal risk, and changes in participating investigators.
