

# Sustainability Perspectives

## ***Breaking Down Compost*** ***The ins and outs of soiling our earth***

**Kurt Pipa**, lecturer in Japanese at Wells College, is also a certified *Master Composter*. Composting has been around forever. Or is it a movement just taking root? Explore what composting is, how it happens, what difference it makes, and the role you play.

Monday, April 25, 2016 ~ 12:20 – 1:20PM  
Stratton Hall Room 209

All *Sustainability Perspectives* series events are free and open to the public. The series explores the concept of sustainability from a variety of viewpoints.

Wells is committed to providing access to all events; anyone needing assistance should contact Marian Brown, Center for Sustainability and the Environment, at 315-364-3304 or by email at [mbrown@wells.edu](mailto:mbrown@wells.edu), as soon as possible.

*The education of an extraordinary life.*
