

Sustainability Perspectives

Teaching critical thinking and media literacy through sustainability education

Chris Sperry, director of curriculum and staff development for *Project LookSharp*, Ithaca College's media literacy initiative, will present an interactive workshop that models how to integrate learning about sustainability issues with the teaching of critical literacy skills. Participants will explore *Constructivist Media Decoding* as a pedagogy for teaching about controversial issues.

Monday, April 24, 2017 ~ 12:20 – 1:20PM
deWitt Lecture Hall, Zabriskie Hall Room 106

All *Sustainability Perspectives* series events are free and open to the public.
The series explores the concept of 'sustainability' from a variety of viewpoints.
