

Sustainability Perspectives

Organics and Food Waste: Successfully Turning a Waste Problem into a Resource Opportunity

Greg Gelewski, recycling operations manager for *Onondaga County Resource Recovery Agency (OCRRA)* will explain how food waste composting fits into the hierarchy of Solid Waste and Materials Management? How are communities – like Wells College - looking at diverting organics to recycling to meet their waste diversion goals?

Monday, February 6, 2017 ~ 12:20 – 1:20PM
deWitt Lecture Hall, Zabriskie Hall Room 106

All *Sustainability Perspectives* series events are free and open to the public. The series explores the concept of 'sustainability' from a variety of viewpoints.

Wells is committed to providing access to all events; anyone needing assistance should contact Marian Brown, Center for Sustainability and the Environment, at 315-364-3304 or by email at mbrown@wells.edu, as soon as possible.

Arrive curious ∴ Graduate prepared.
