

Sustainability Perspectives

Making an Impact with Sustainable Supply Chains

Patricia Donohue is the Sustainable Supply Chain Program Manager and Senior Pollution Prevention Engineer for the *New York State Pollution Prevention Institute (NYSP2I)*. Trish will explain the elements of supply chain sustainability and a circular economy. How can we reduce our environmental impacts while becoming more efficient with resources and reducing costs? It is possible! She will share concepts and case studies.

Monday, February 26, 2018 from 12:20 – 1:20PM
deWitt Lecture Hall, Zabriskie Hall Room 106

All *Sustainability Perspectives* series events are free and open to the public. The series explores the concept of 'sustainability' from a variety of viewpoints.

Wells is committed to providing access to all events; anyone needing assistance should contact Marian Brown, Center for Sustainability and the Environment, at 315-364-3304 or by email at mbrown@wells.edu, as soon as possible.

Arrive curious ∴ Graduate prepared.
