

Sustainability Perspectives

“Sustainable Burial? Way to Go!”

Jennifer L. Johnson, Co-director and Burial Coordinator for *Greensprings Natural Cemetery Preserve*, will address how and why natural or green burial is sustainable. She'll then talk you through a natural burial at Greensprings and how it differs from modern or conventional burials. She'll offer some tips on what you can do now to educate yourself about end-of-life preparedness.

Monday, November 30, 2015 ~ 12:20 – 1:20PM
Stratton Hall Room 209

All *Sustainability Perspectives* series events are free and open to the public. The series explores the concept of sustainability from a variety of viewpoints.

Wells is committed to providing access to all events; anyone needing assistance should contact Marian Brown, Center for Sustainability and the Environment, at 315-364-3304 or by email at mbrown@wells.edu, as soon as possible.
