

Sustainability Perspectives

Sustainability in our New York State Parks

Michael Wise, director of Energy and Sustainability for the New York State Division of Parks, Recreation and Historic Preservation, and **Fred Bonn**, Finger Lakes Parks Regional director, will explain their work to ensure that our state's public park system continues to flourish and thrive. Among the initiatives discussed will be the park systems' effort to "green" their transportation fleet.

Monday, April 2, 2018 from 12:20 – 1:20PM
deWitt Lecture Hall, Zabriskie Hall Room 106

All *Sustainability Perspectives* series events are free and open to the public. The series explores the concept of 'sustainability' from a variety of viewpoints.

Wells is committed to providing access to all events; anyone needing assistance should contact Marian Brown, Center for Sustainability and the Environment, at 315-364-3304 or by email at mbrown@wells.edu, as soon as possible.

Arrive curious ∴ Graduate prepared.
