Dear Wells College Class of 2020,

You entered the world during 9/11. You are graduating during a pandemic.

No doubt these events will shape you. You have grown up in a world that changed more rapidly than any other time in recent history. You see beyond borders. You seek what is genuine and what is good. You savor the moment.

Your last semester at Wells looks very different from what any of us could have imagined. Events wiped off the calendar, traditions postponed and celebrations delayed.

But you are greater than these disappointments. You are strong. You know how to handle a sharp turn. Your Wells education provided the foundation for you to think critically, reason wisely and act humanely as you move forward with your life.

Please know that you have a large network of Wells alums who are in this with you and, most of all, we are proud of who you are! Please let us know if we can help in any way because you are part of our Wells family.

We sing to you!
