

NY's Most Trusted Renewable Energy Experts

ENERGY

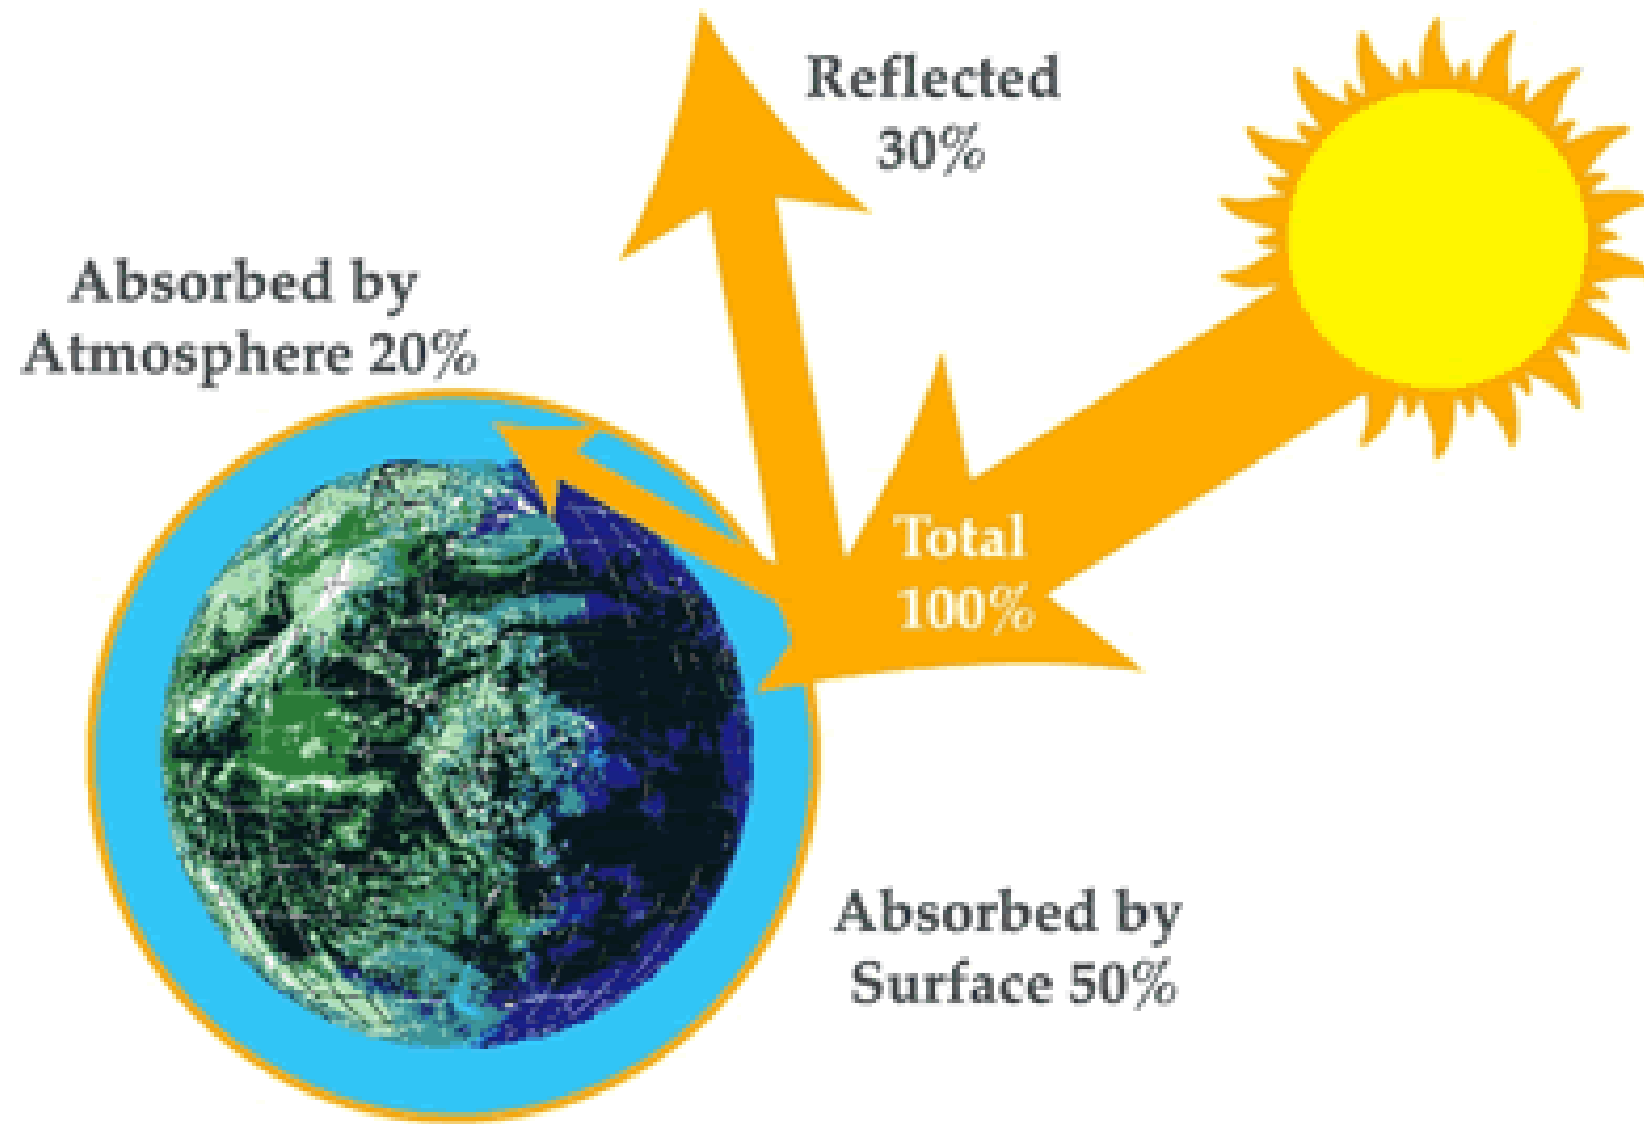

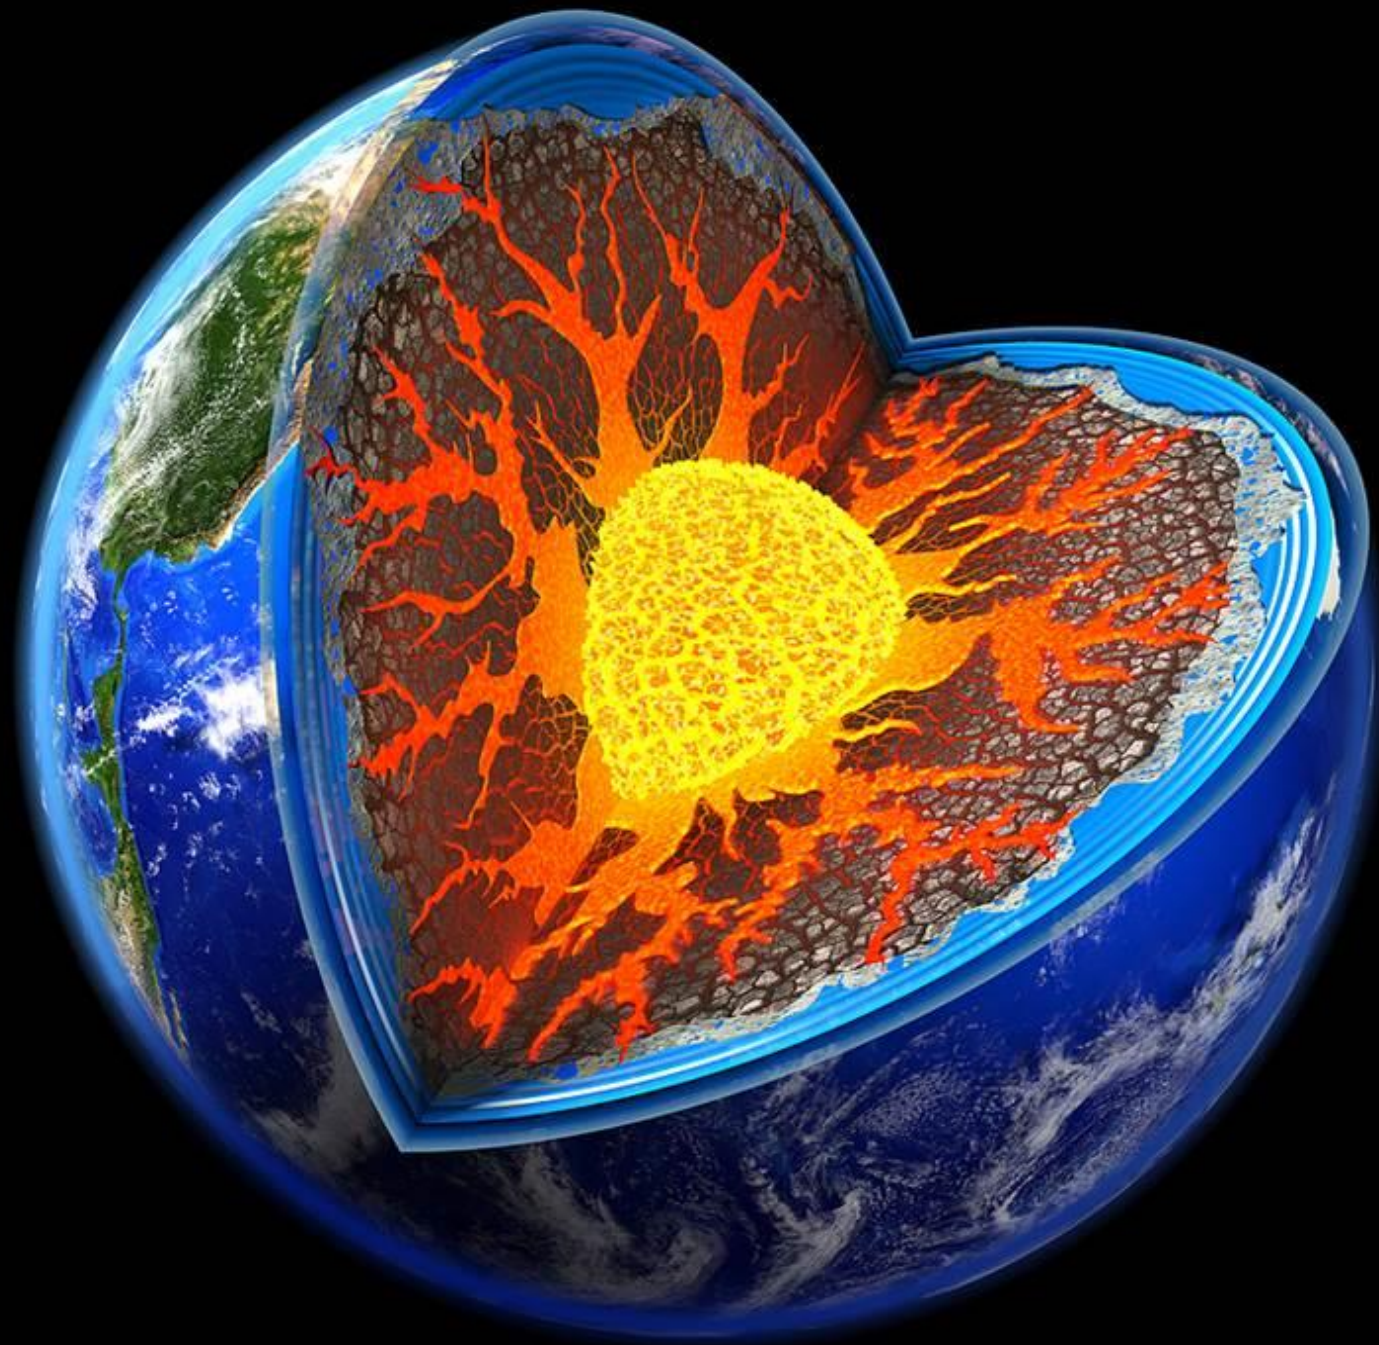

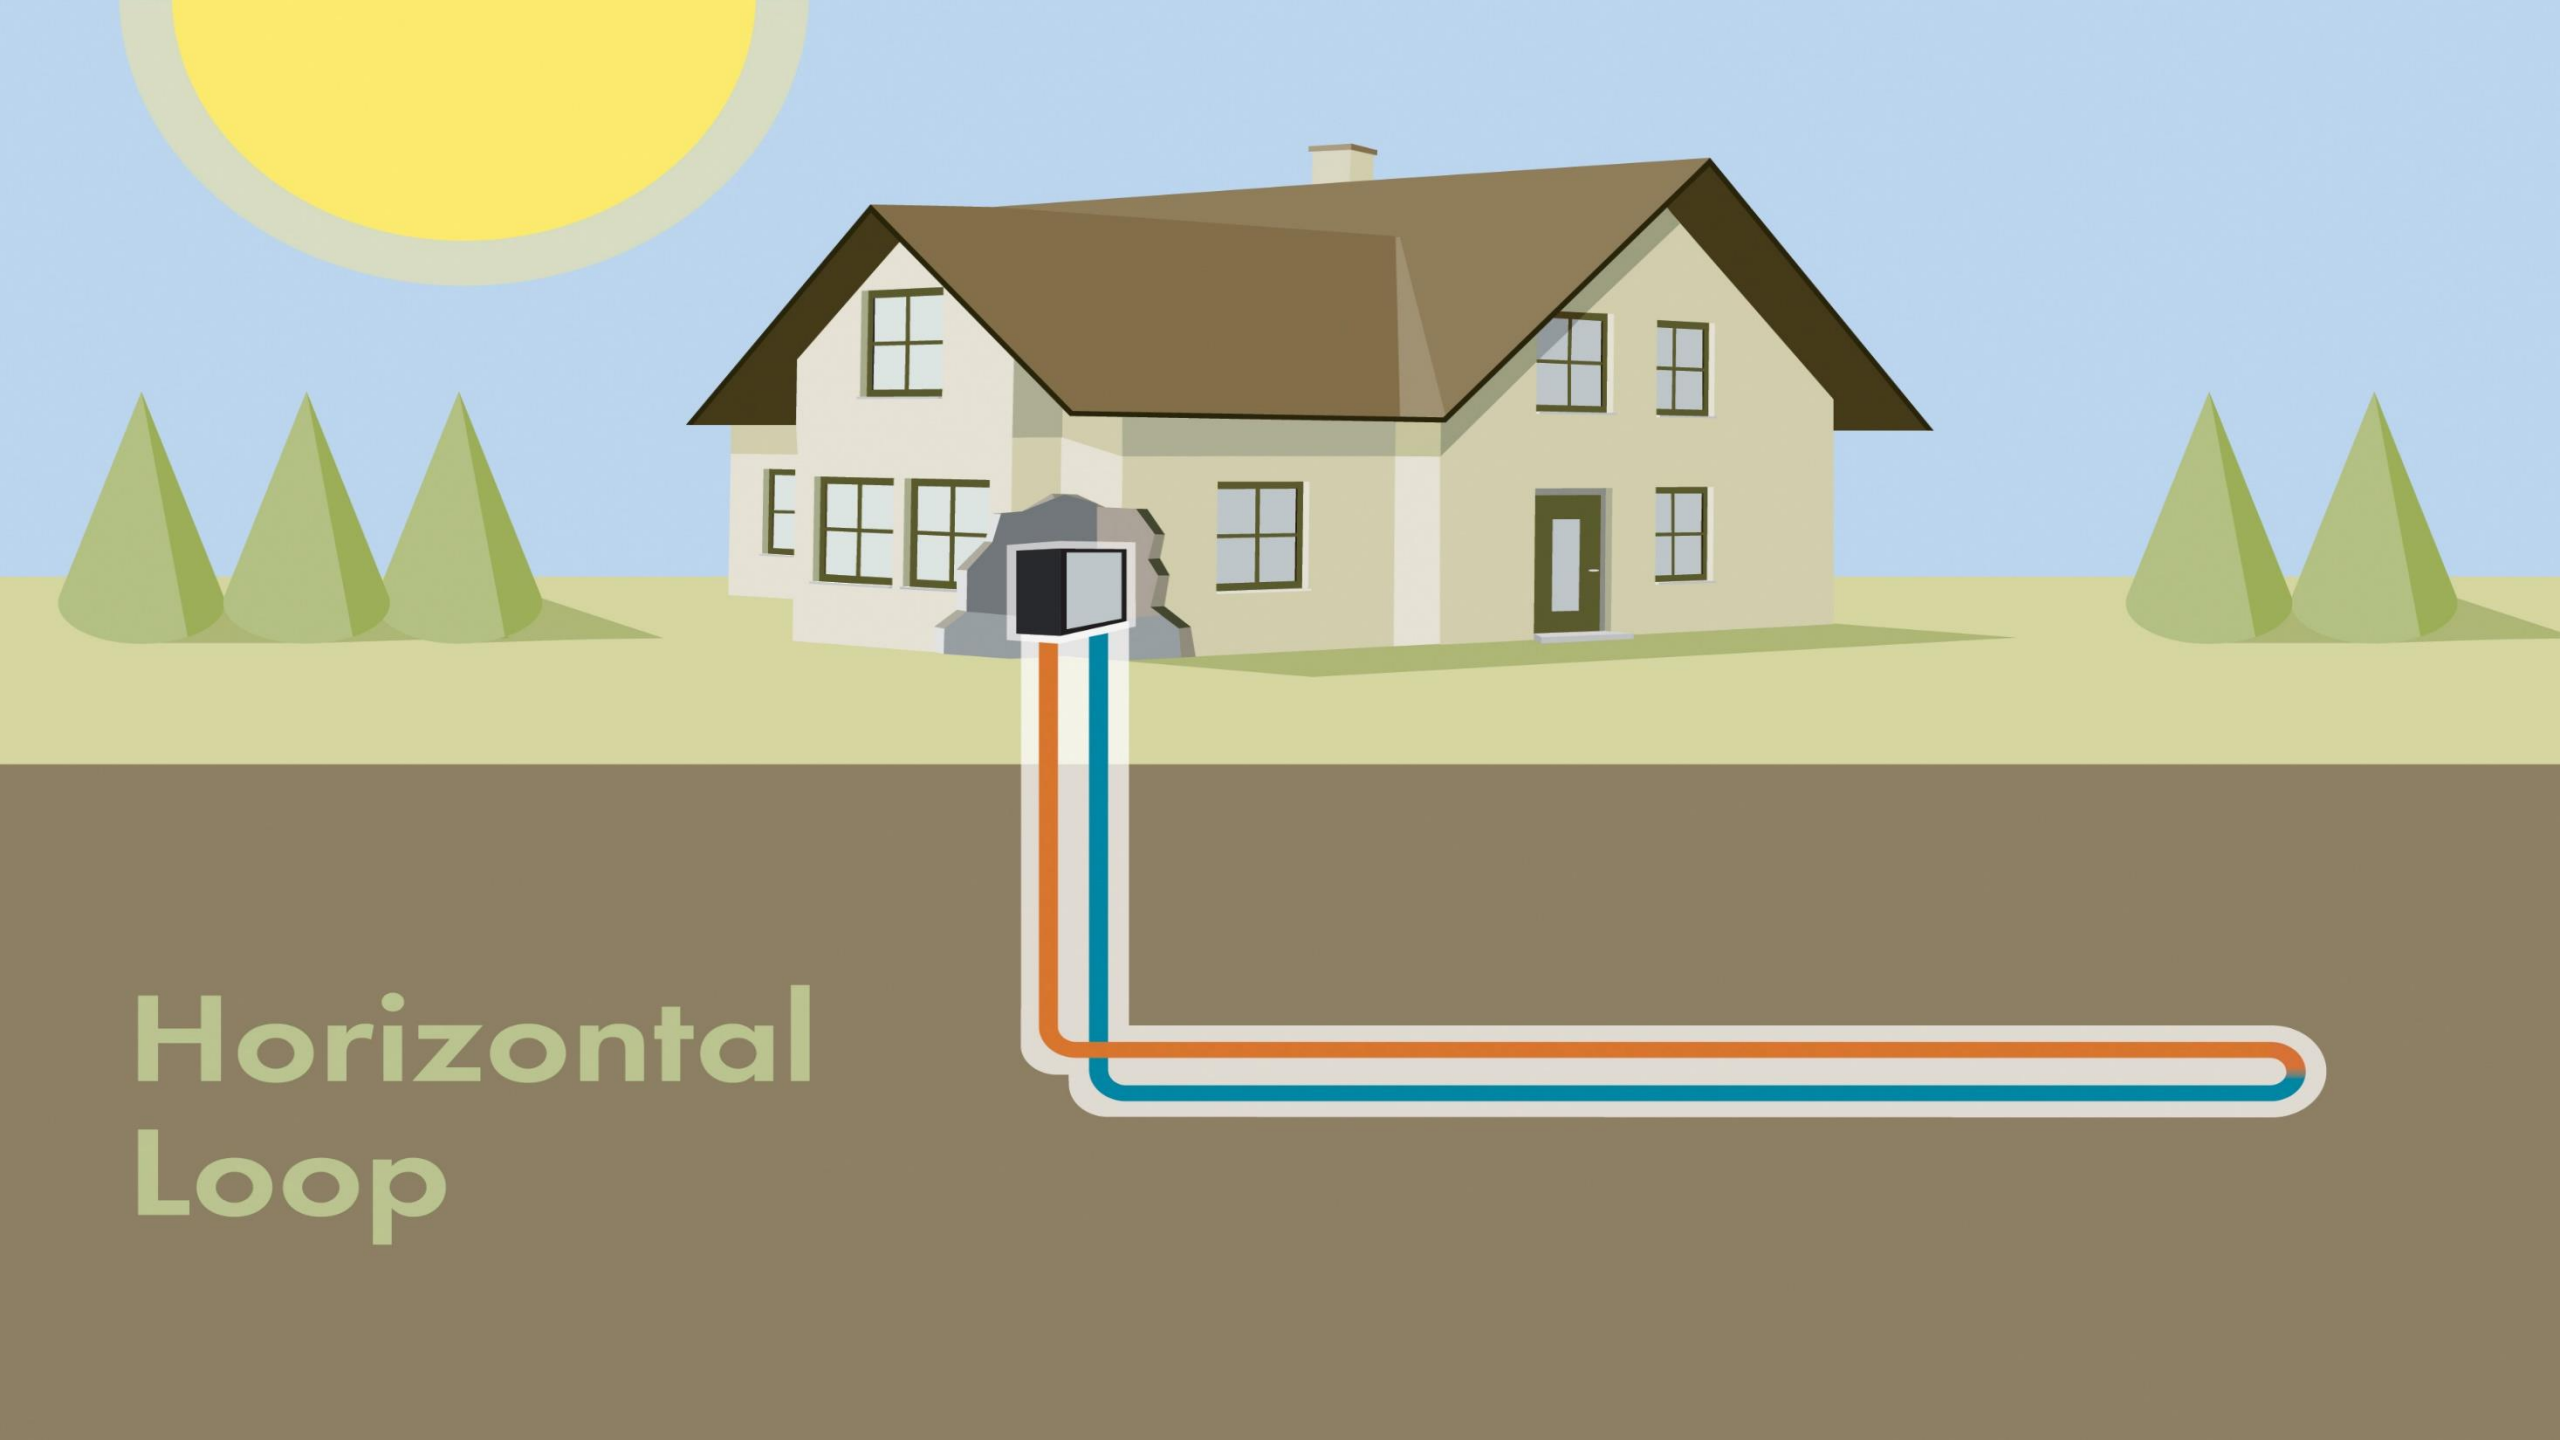

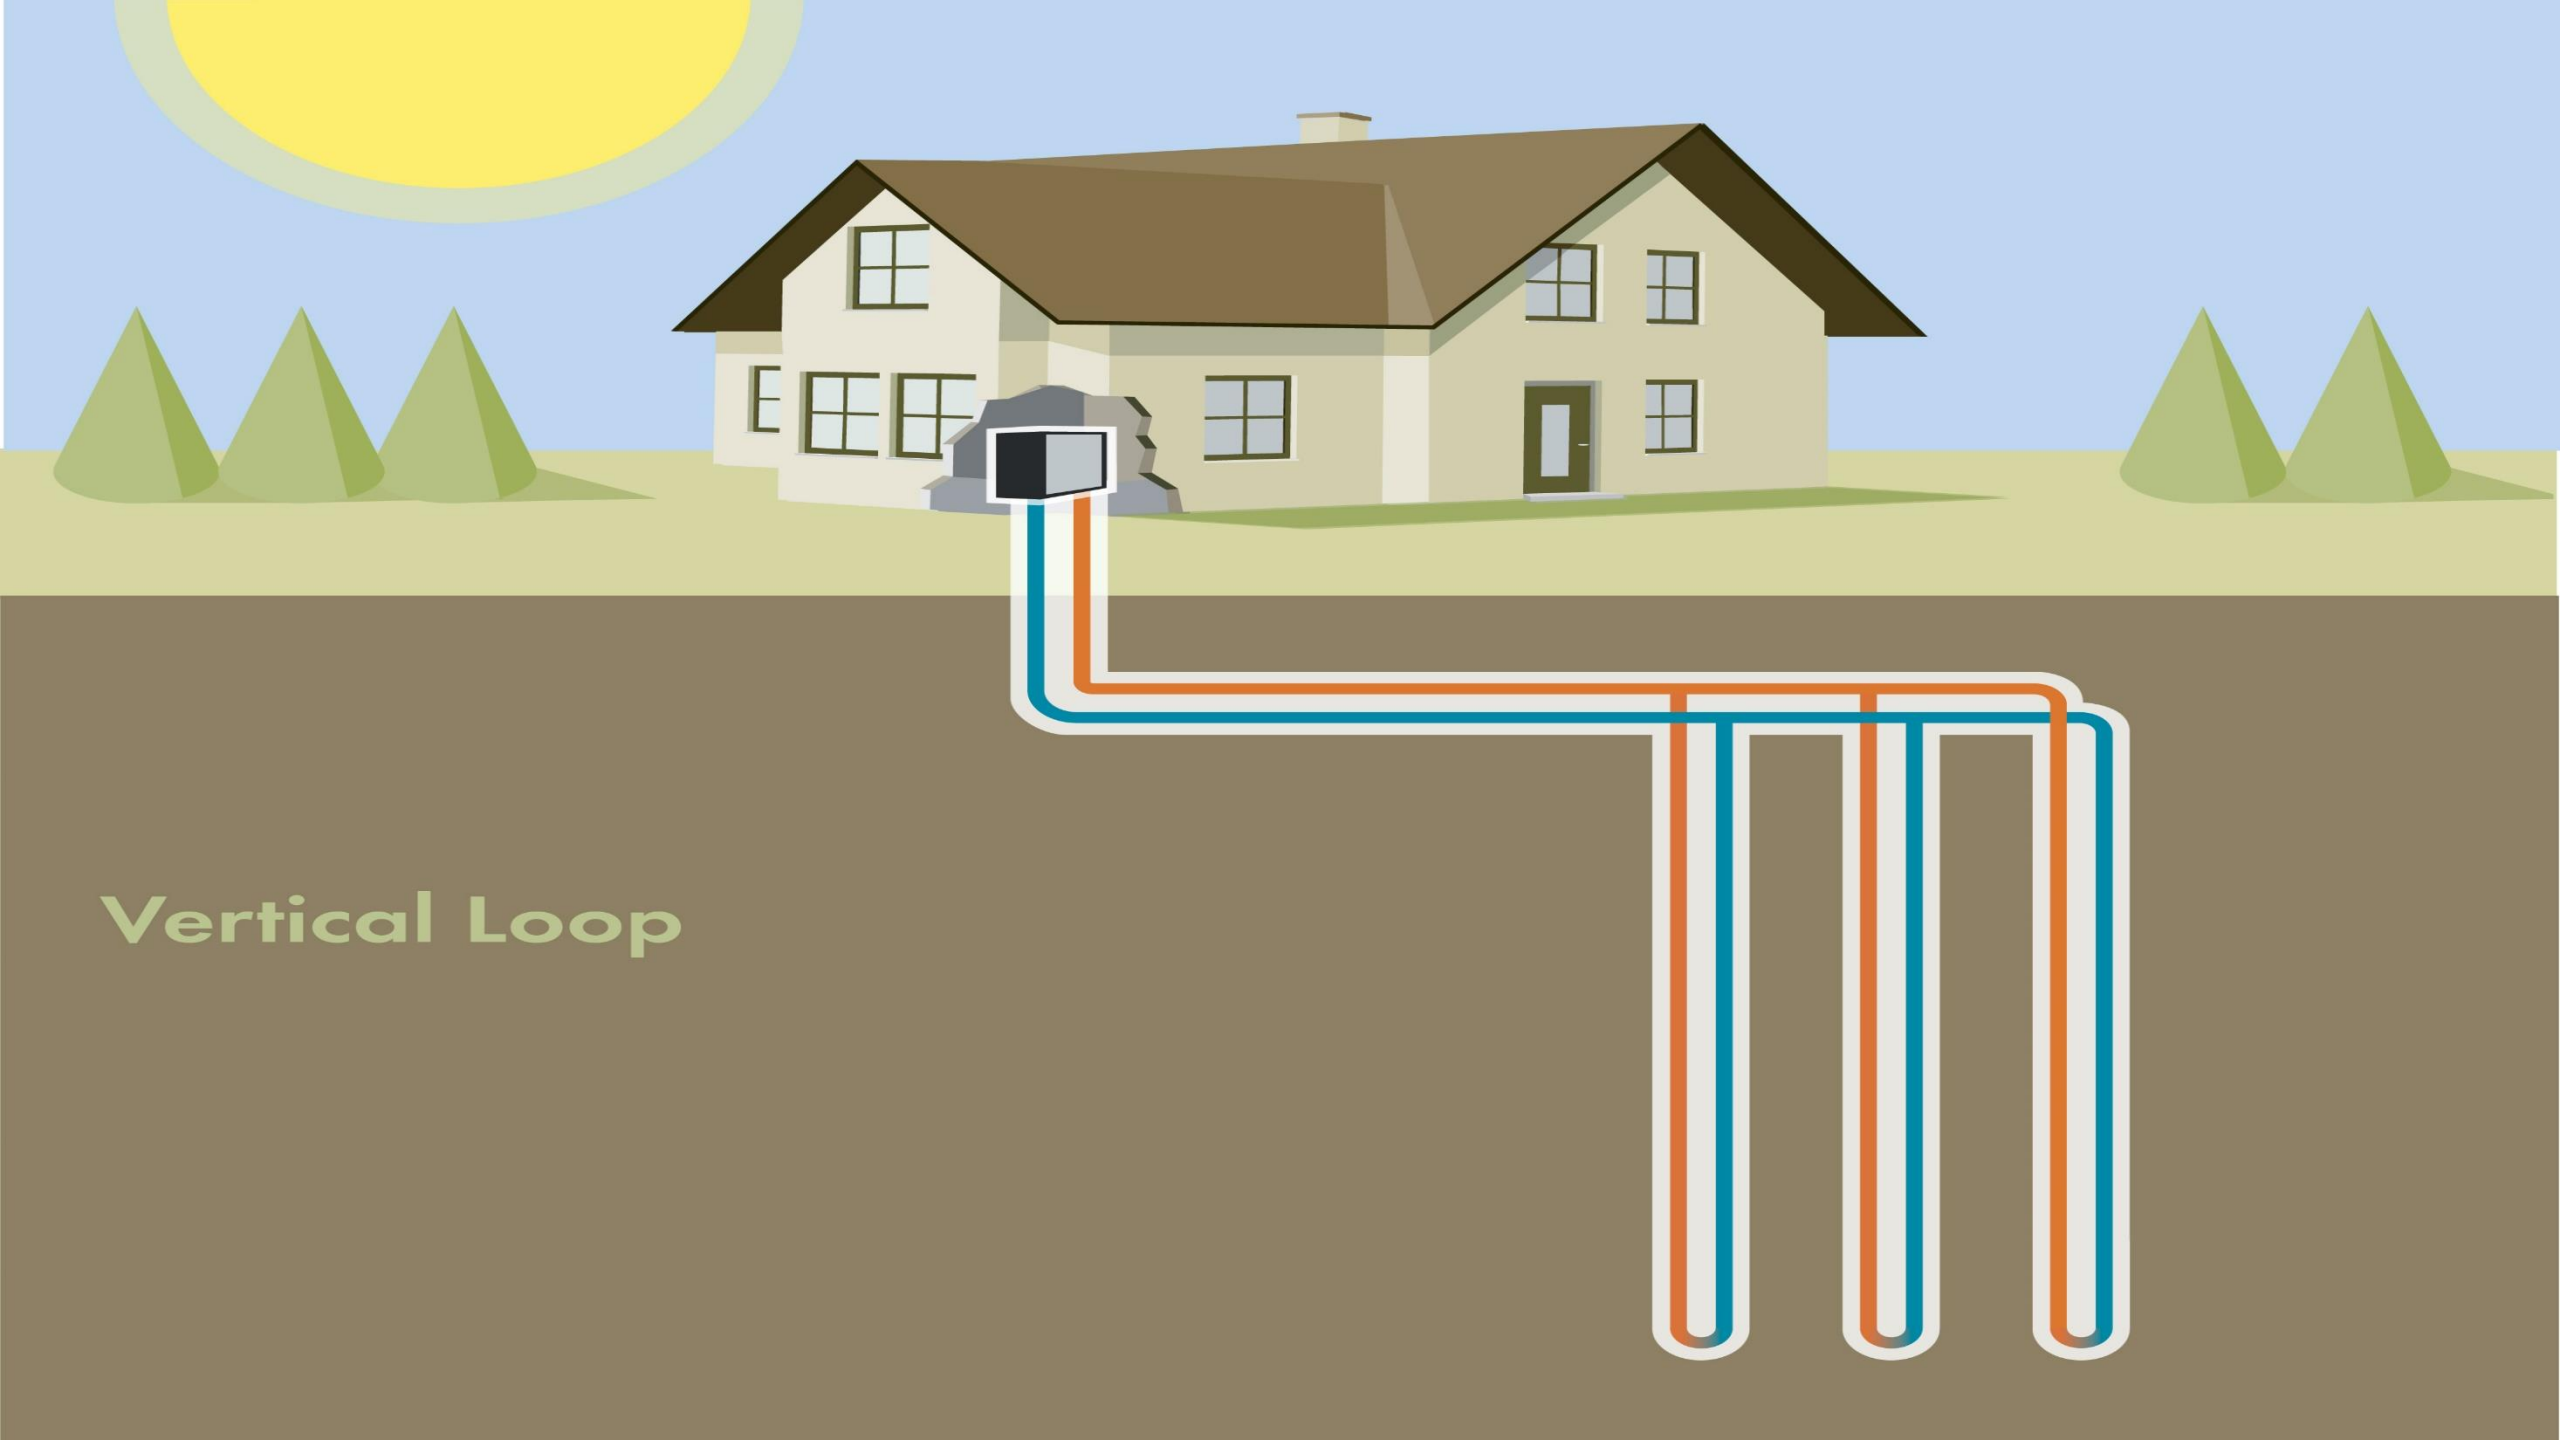

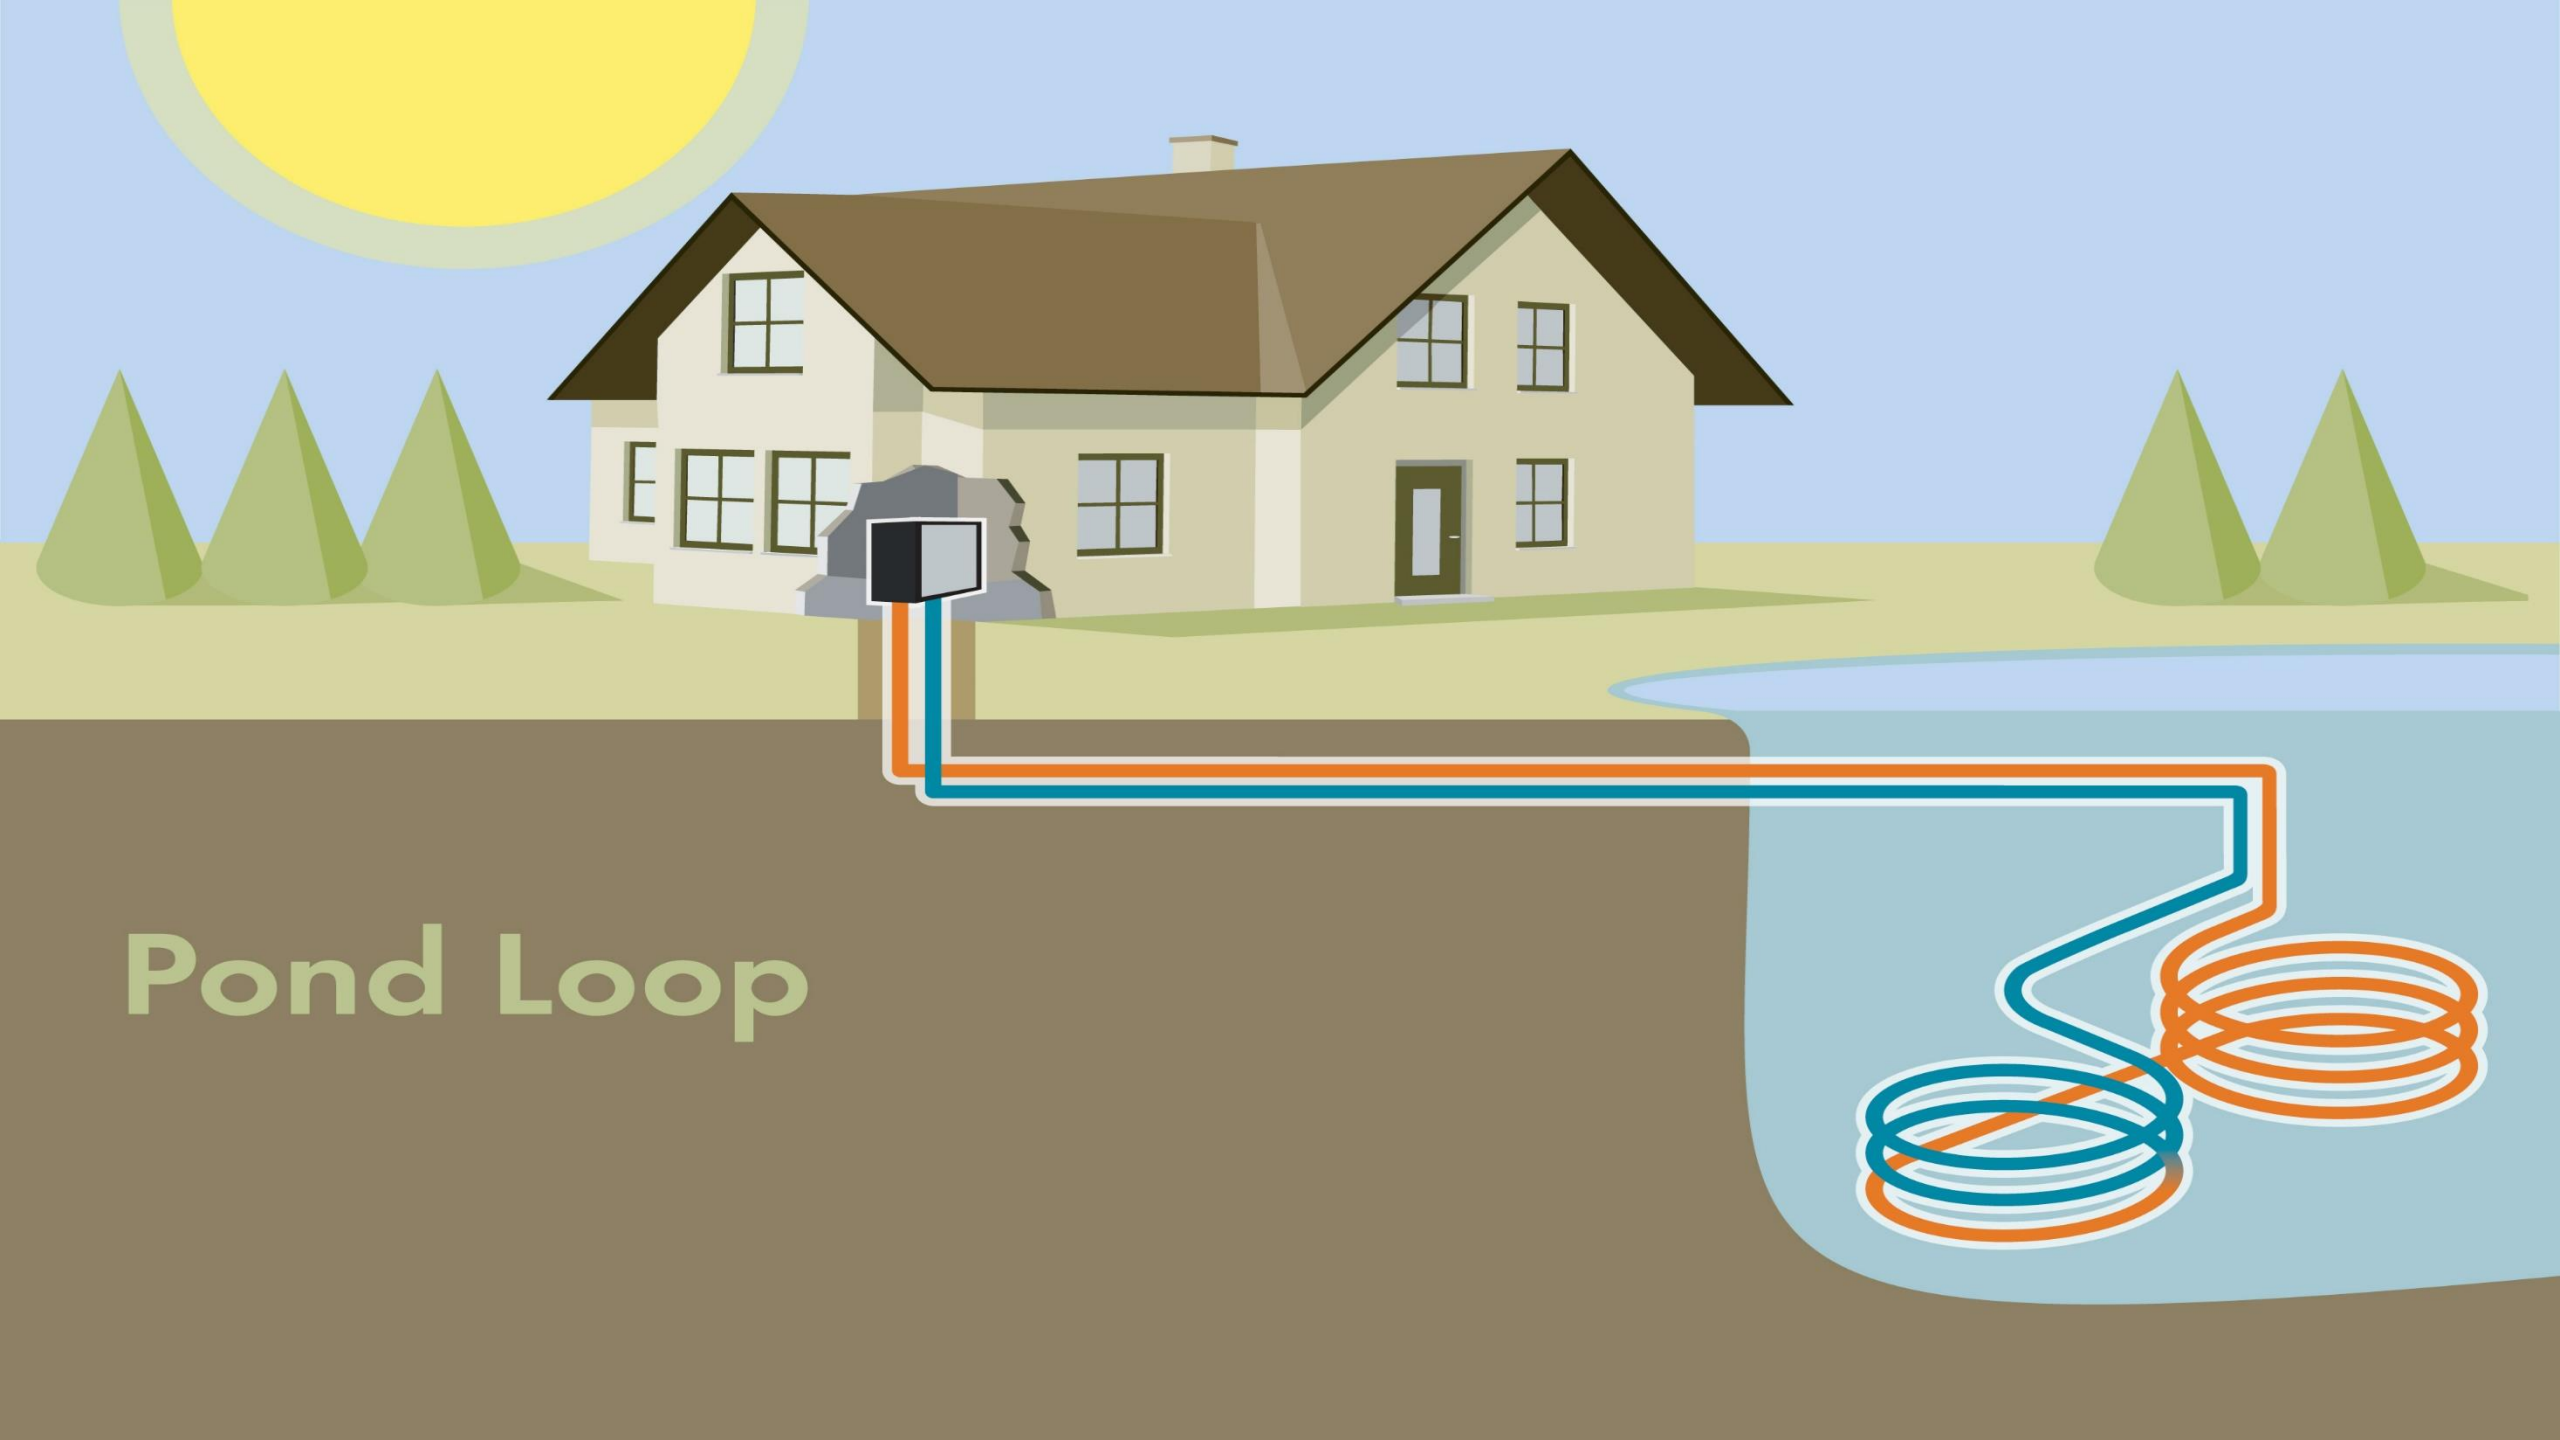

GEO THERMAL

Horizontal
Loop

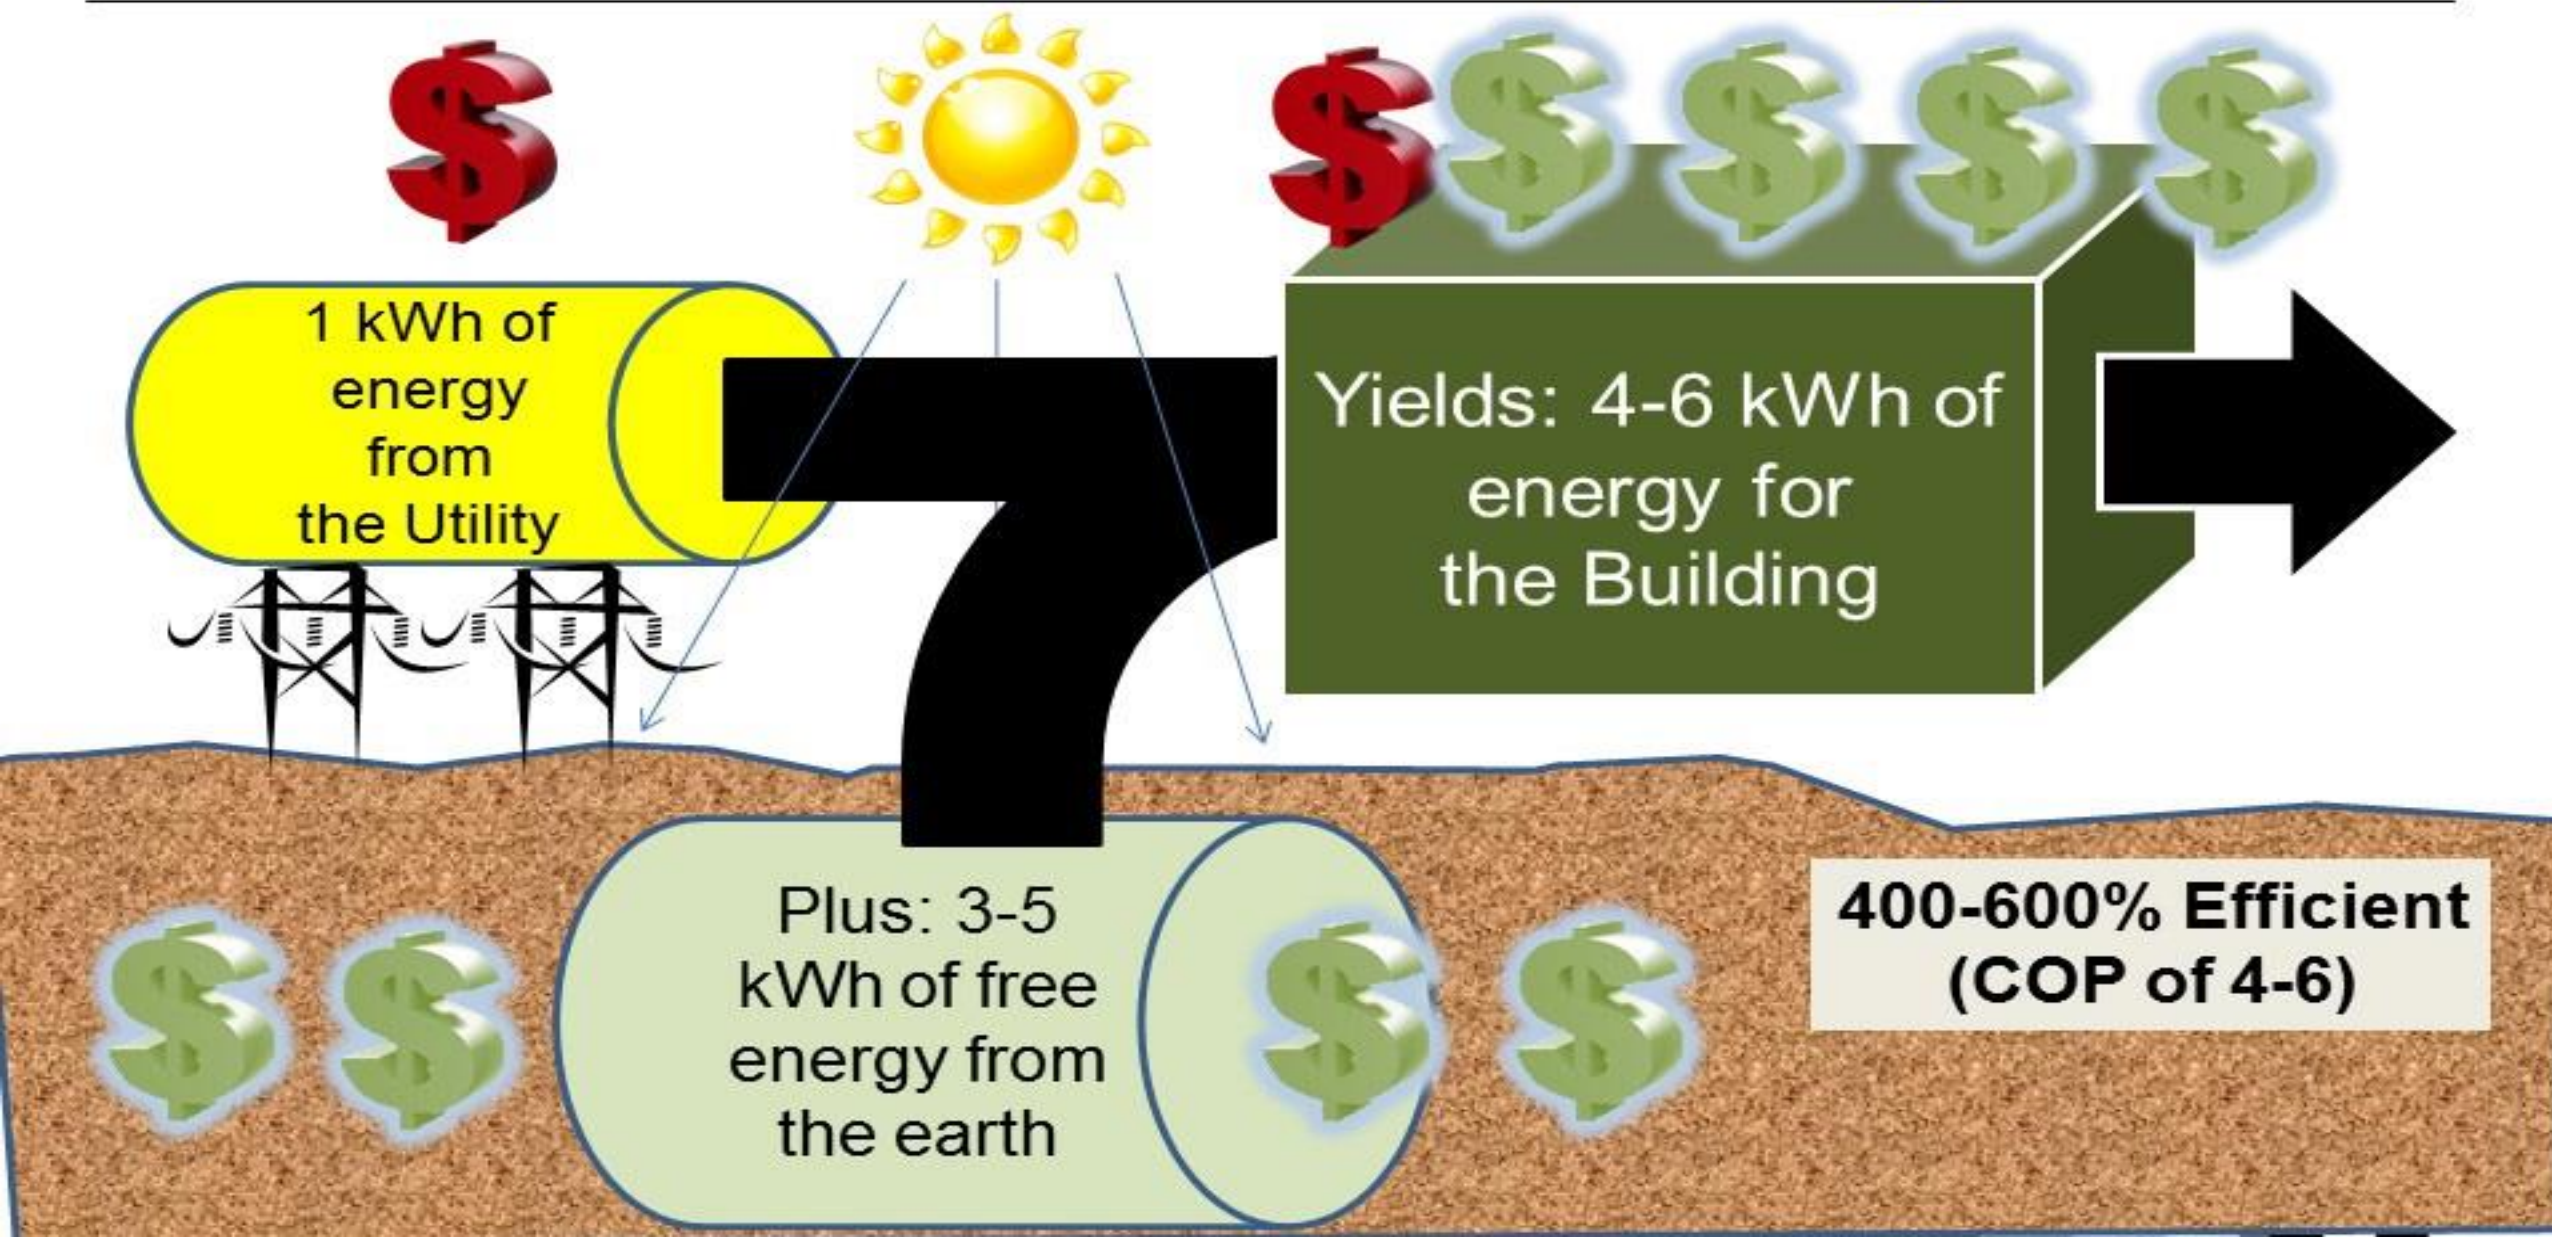

Vertical Loop

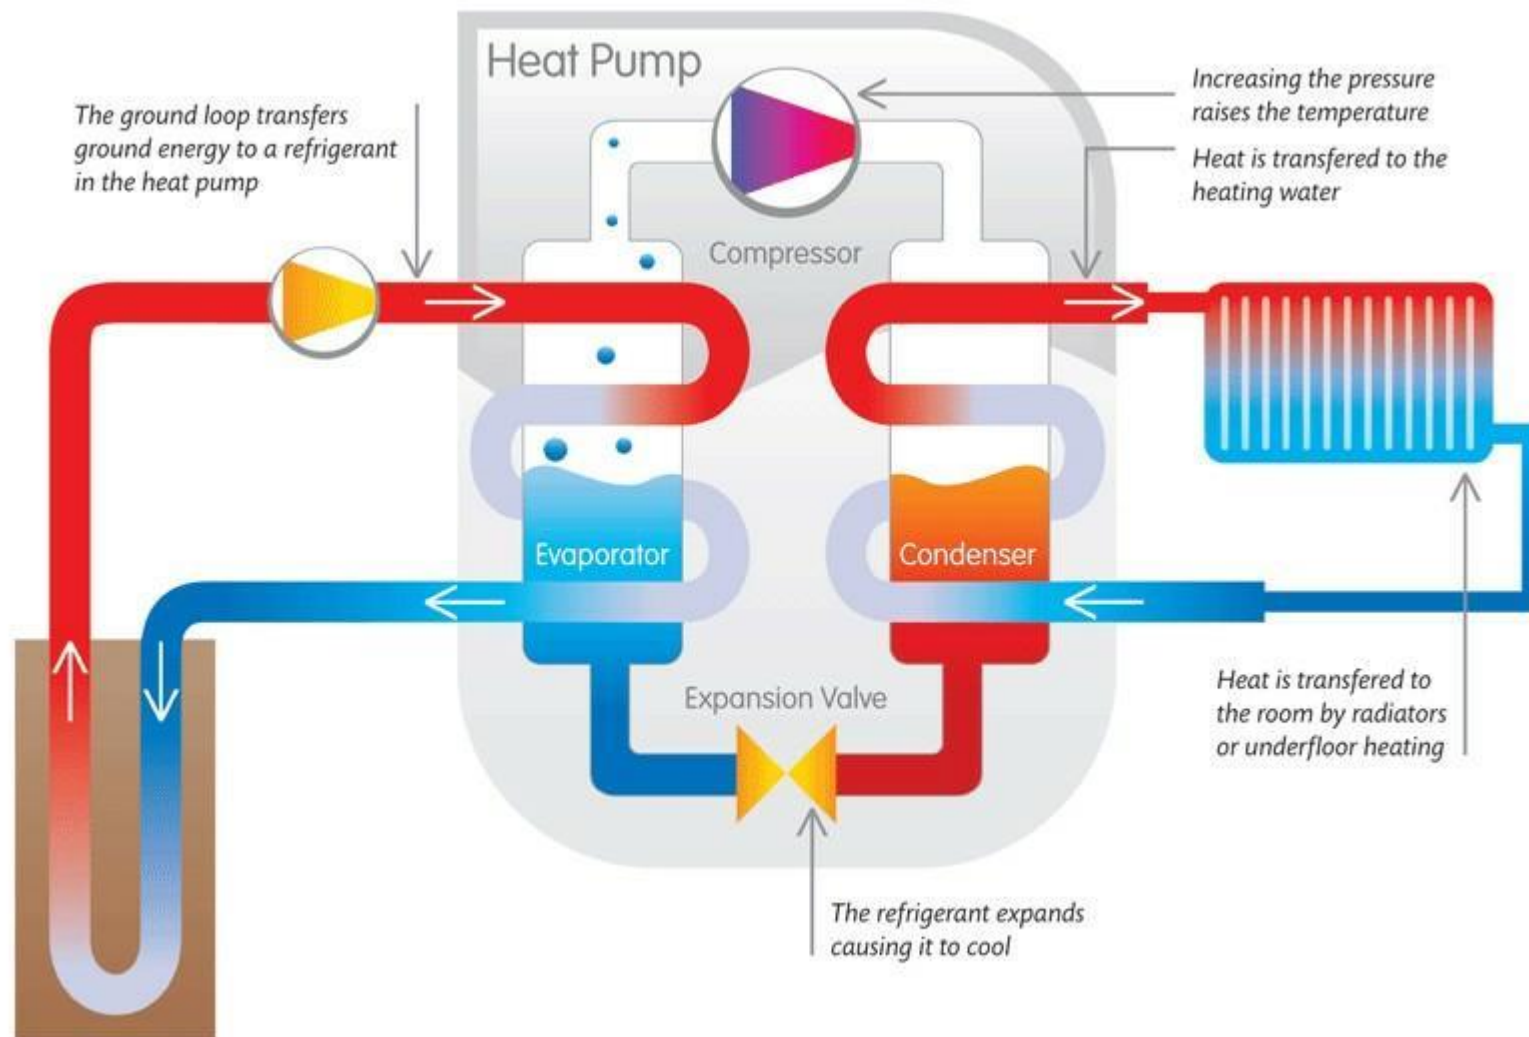

Pond Loop

Ground Source Heat Pump Energy Sense

GEOTHERMAL ADVANTAGES

- Reduces heating cost up to 80%
- No combustion or carbon emissions
- Free supplemental hot water
- Lowest maintenance **costs**
- Long equipment life: over 50 years!
- Even and constant temperature
- Complete humidity control

MOTHER NATURE LOVES
GEOTHERMAL
IT'S LIKE PLANTING 350 TREES

ENVIRONMENTAL IMPACT

Installing geo
(In a typical home)

=

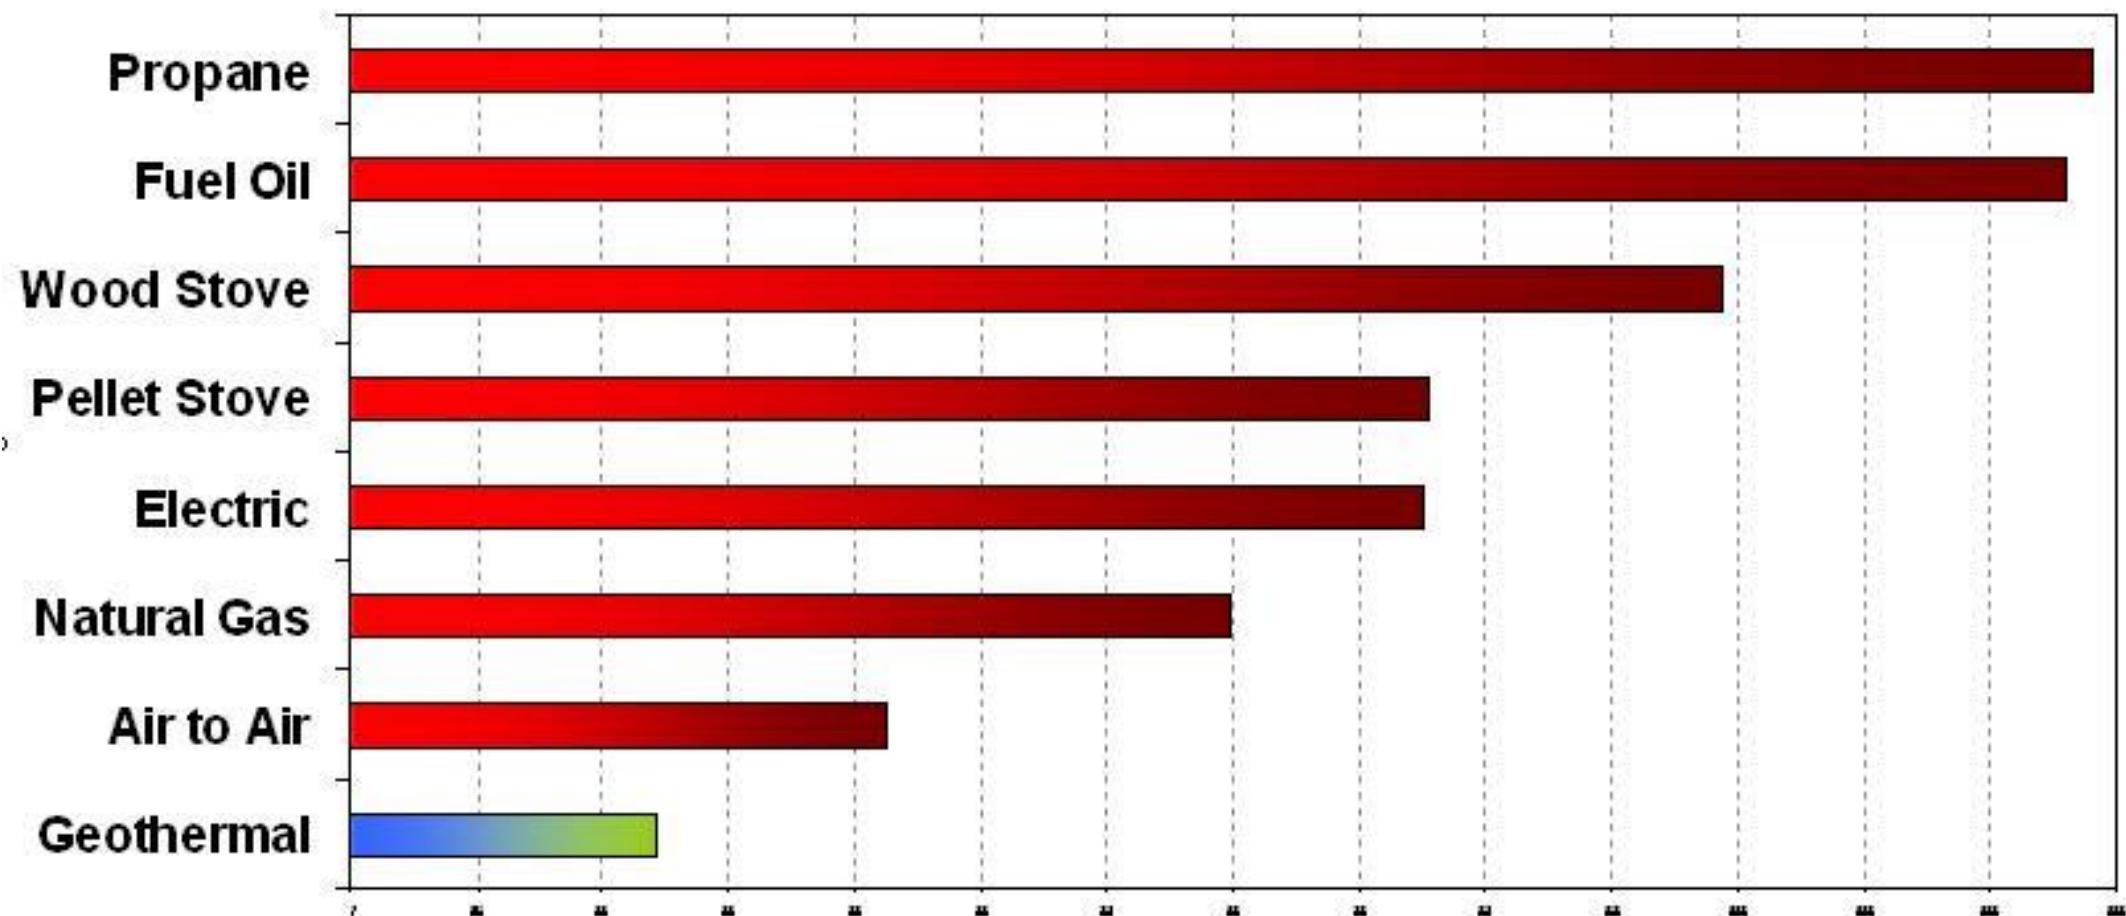

1 acre of trees

OR

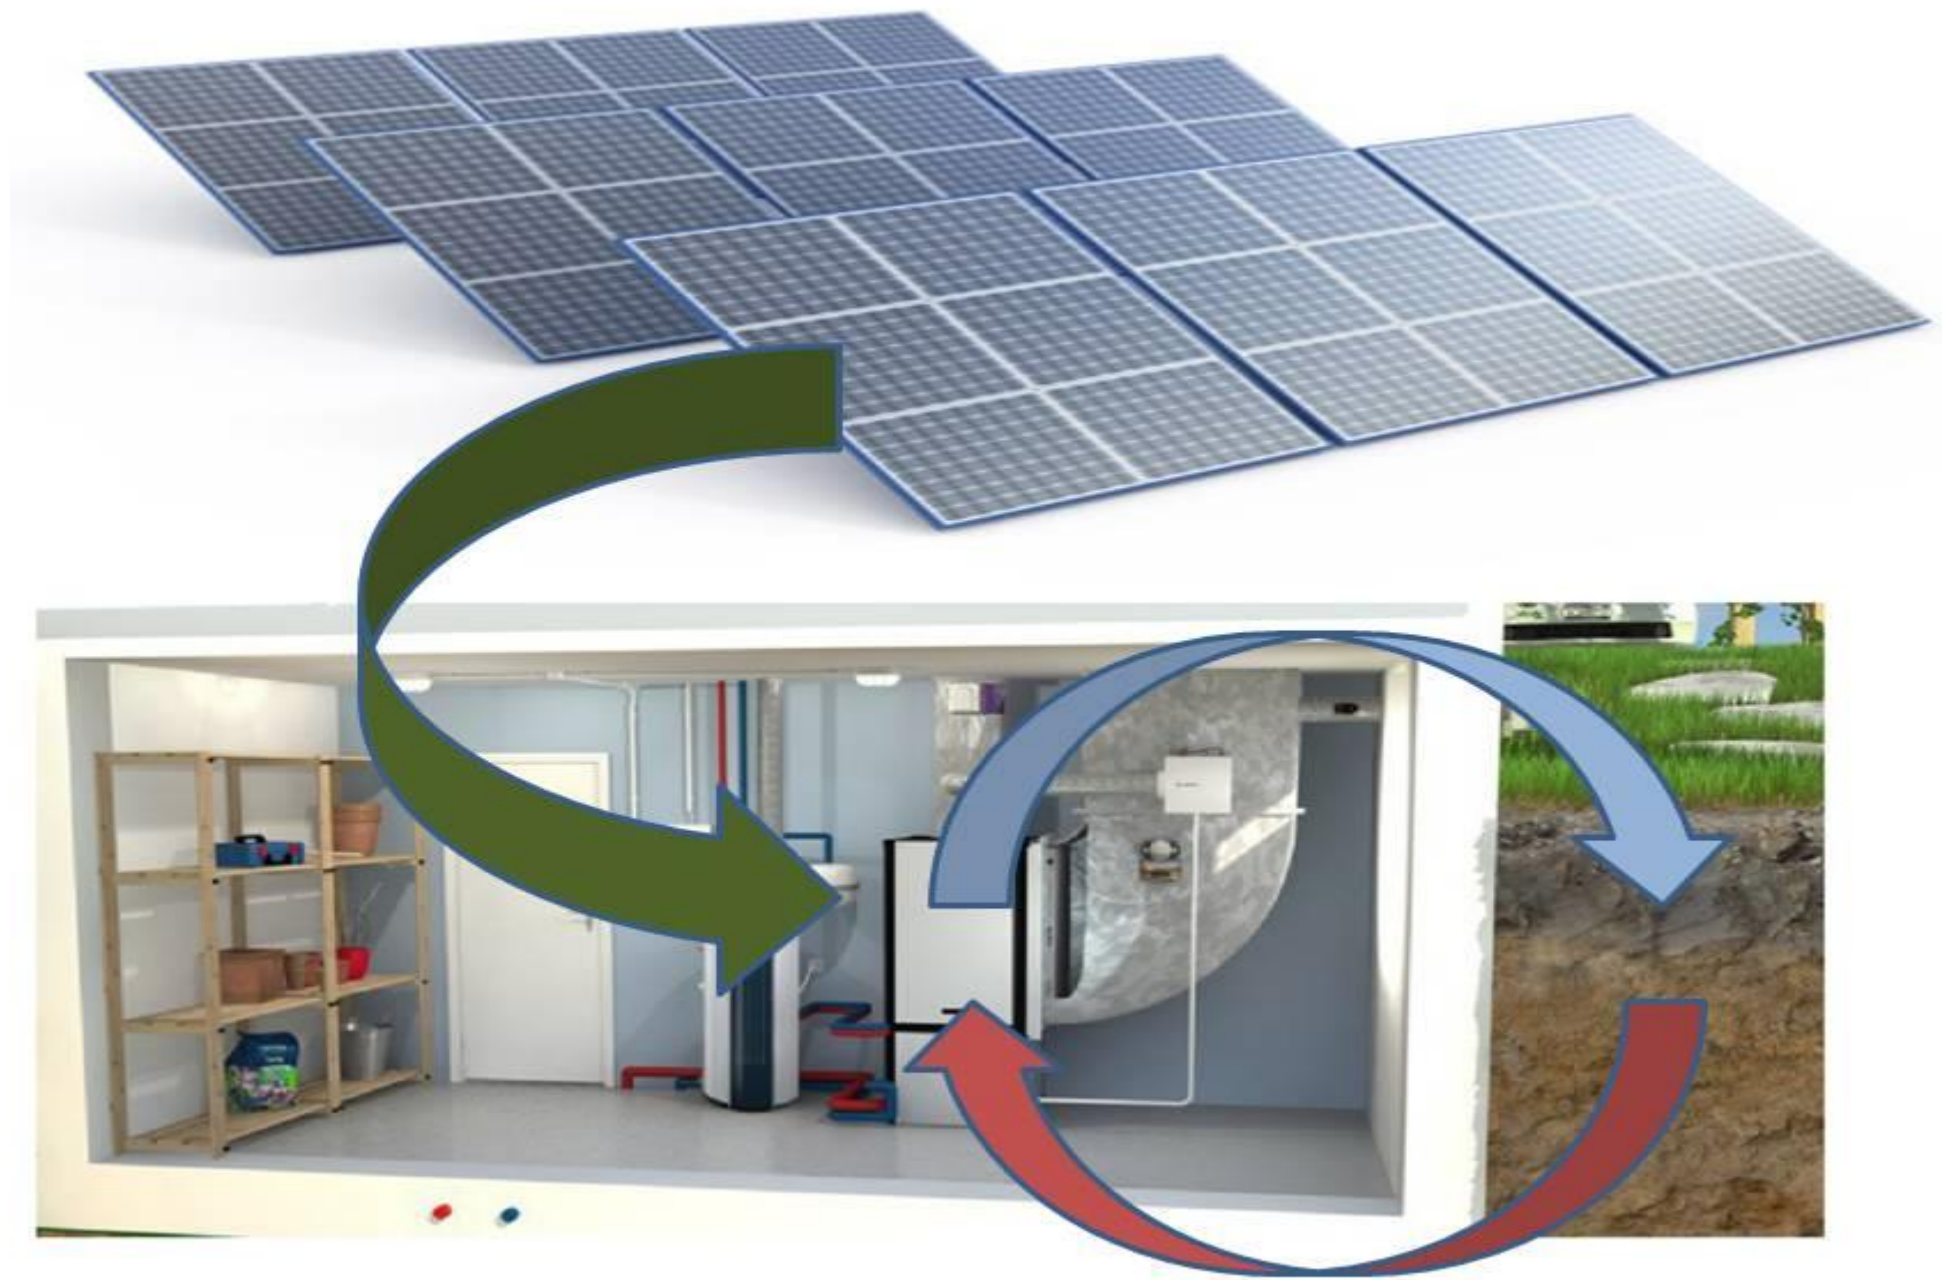

Removing 2 cars from the road

Annual Home Heating Cost (From 2009 FEC Report)

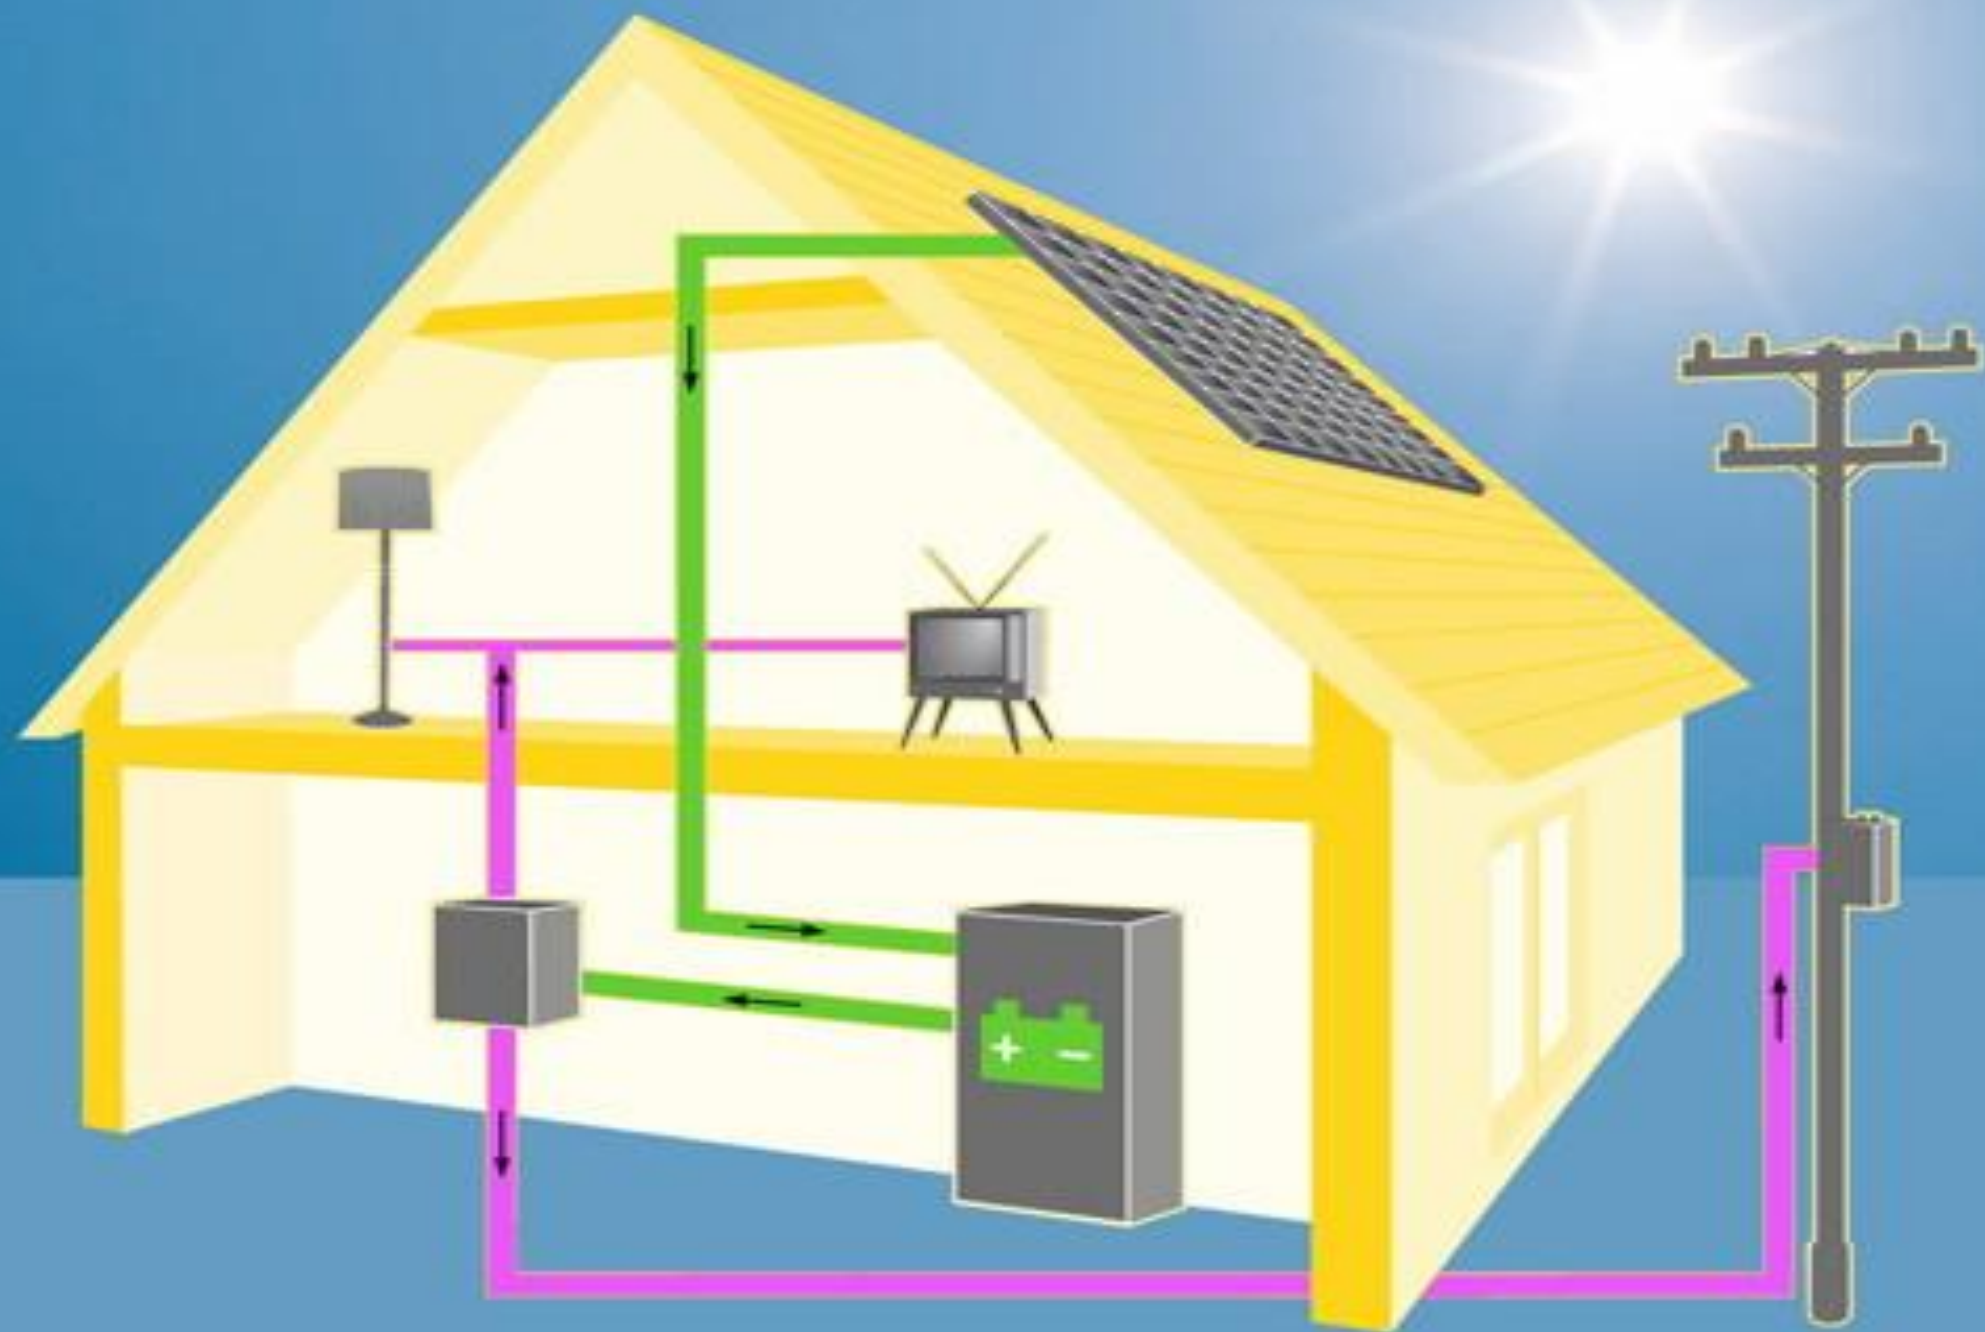

Annual Heating Cost

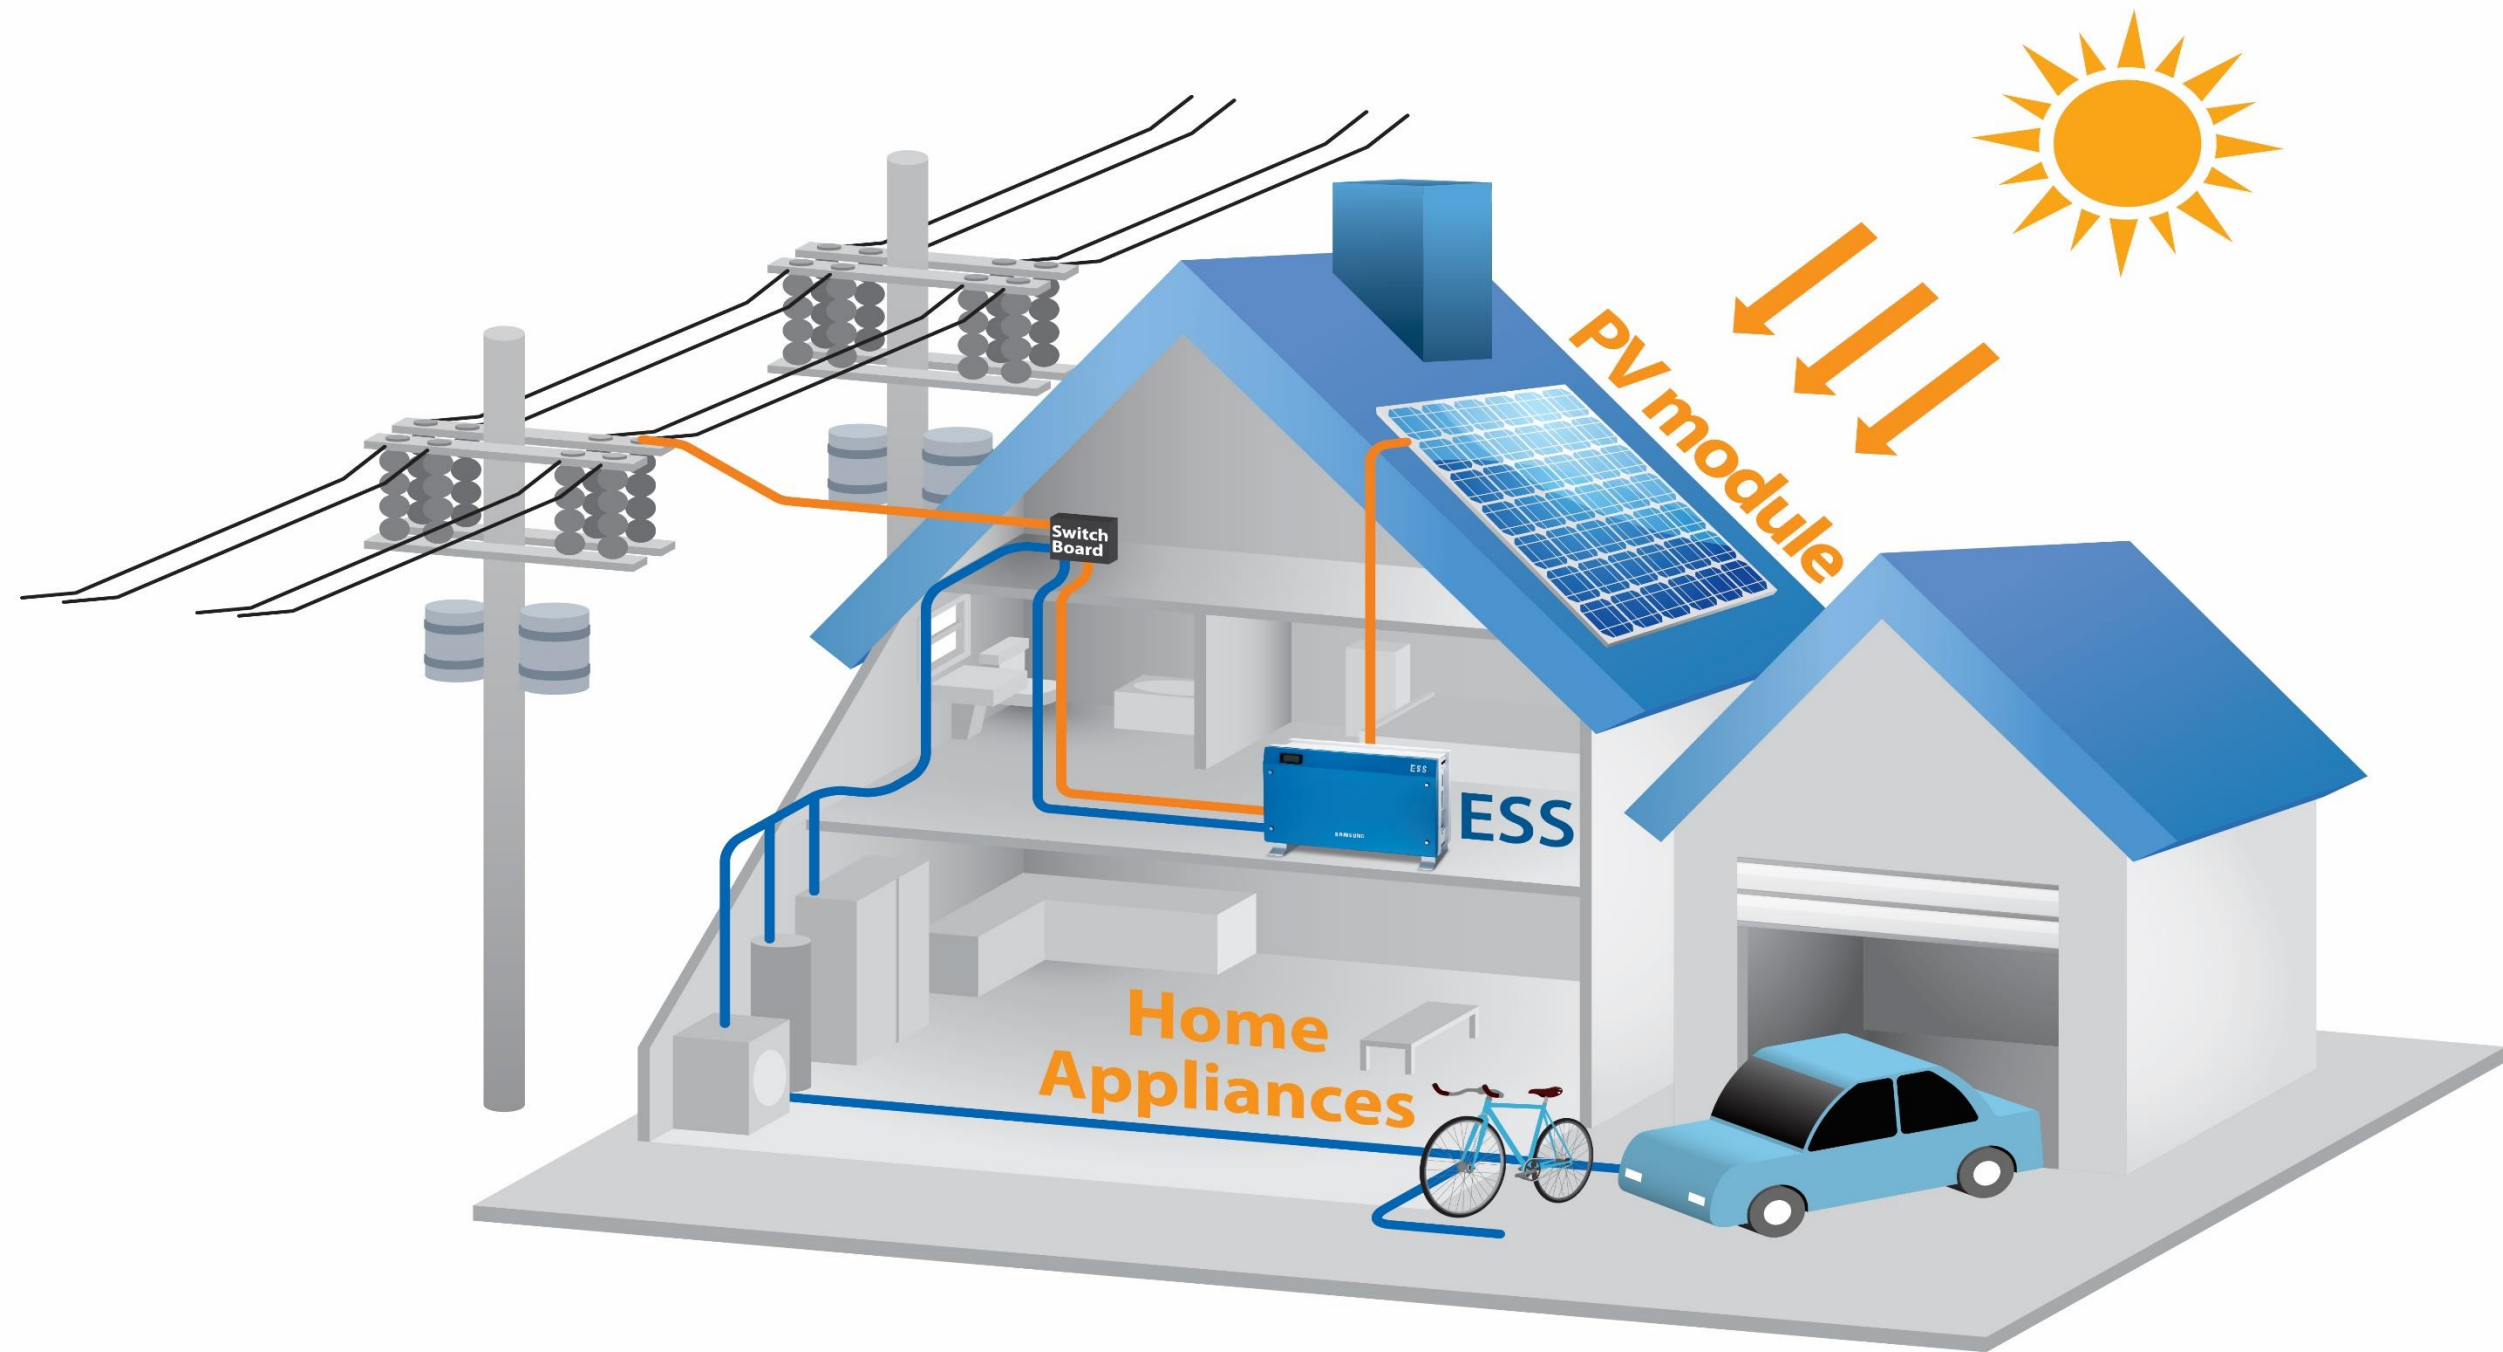

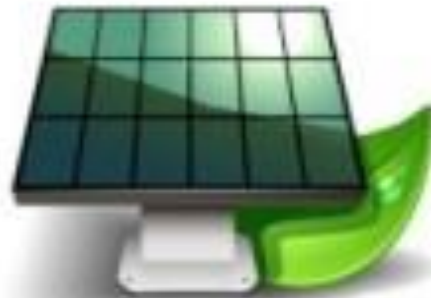

STOP
GLOBAL
WARMING
