

Hey, Orson, nice cap. Are you headed to the shower room?
Yep, and I plan to stay in the shower all through April.
 Wait... what..? You're not a duck. Don't you worry about getting all
 "prune-y" from being under the shower spray so long?
Maybe so, but they say that April showers bring May flowers.
I am SO ready for spring to arrive that I'll shower all month!
 You're *already* all wet, Orson, but I'll bring you a towel on May Day!

Earth Day is on Monday, April 22, but let's all be more mindful of our environmental impact every day. Here are some ways we can all lighten our environmental footprint:

- ◆ Recycle the right things right—read the instructions at the waste separation stations
- ◆ Compost *only* food waste and paper napkins in the dining hall - landfill those plastic items!
- ◆ Carry and use your reusable beverage mug!
- ◆ Don't be like Orson! Reduce your shower time; even 5 minutes under the spray sends up to 20 gallons of water down the drain!
- ◆ Ditch bottled water—use water bottle fill stations with your own reusable bottle
- ◆ Learn what is in your personal care products; keep toxins off your body and out of our water supply <https://www.ewg.org/skindeep/>
- ◆ Share your commute, your weekend trip home, or your weekly shopping run. Check out **Finger Lakes Rideshare**

Start your **Spring Cleaning** now! In early May, we will again hold our move-out collection. Watch for marked

collection bins in residence hall common areas to deposit your *clean*, still-usable items like these:

Clothing	Footwear	Linens and towels
School supplies	Art supplies	Costumes
Room decorations		Room furnishings
Arts & craft supplies		Cleaning supplies
Personal care products		Housewares
Textbooks, trade books, CDs		Appliances

Don't wait until the end of the semester - start your Marie Kondo-inspired res hall room or campus office tidying now! You can always drop off clean, gently-used items listed above at the **Bargain Basement** in Main or put school or office supplies in the **RUMPUS Room** in 111A Macmillan Hall.

Do you have non-perishable food items you know you aren't going to eat before the end of the semester? Drop them off at the **Campus Food Pantry**, 107 Cleveland Hall.

"Installments" is a double play on words: These sustainability mini-newsletters are placed inside bathroom cubicles ("*in stalls*") and the informational content changes periodically (in "*installments*").

Get it? Got it? Good!

New **GOTCHA** cards are out for Block 2. Get spotted using your reusable drink container and you might receive a **GOTCHA** card, redeemable for a free drink refill in your reusable container at the *Grind Café*.
