

We all love food. As a society, we devour countless cooking shows, culinary magazines and foodie blogs. So how could we possibly be throwing nearly 50% of it in the trash? Filmmakers and food lovers Jen and Grant dive into the issue of waste from farm, through retail, all the way to the back of their own fridge.

*Just Eat It* looks at our systemic obsession with expiration dates, perfect produce and portion sizes, and reveals the core of this seemingly insignificant issue that is having devastating consequences around the globe. *Just Eat It* brings farmers, retailers, inspiring organizations, and consumers to the table in a cinematic story that is equal parts education and delicious entertainment.

Running time: 75 minutes; *Campus Greens* will lead a discussion following the film.
