Sustainability Impacts of the NYS Cannabis Industry: A “Triple Bottom” Line Analysis

Dmitry Liapitch '10, Staff Engineer - Carbon Management Strategies for *Kohler Inc*, will ask his audience if they are interested in going green in the green industry that intends to make some green from selling greens? Good! This topic will cover how to use the Triple Bottom Line of Sustainability to evaluate the environmental, social, and financial aspects of the Cannabis industry in NY.

Monday, October 31, 2022 12:30 – 1:30PM

Zoom #: 826 8137 3864 Passcode: *DaA0pzT

All *Sustainability Perspectives* series events are free and open to the public. The series explores the concept of ‘sustainability’ from a variety of viewpoints.

Wells is committed to providing access to all events; anyone needing assistance should contact Marian Brown, Center for Sustainability and the Environment, at 315-364-3304 or by email at mbrown@wells.edu, as soon as possible.
