# Introduction to Environmental Justice

**Mariah Davis** is the Senior Policy & Campaigns Manager for the *Choose Clean Water Coalition*. Environmental justice is defined as “the fair treatment and meaningful involvement of all people regardless of race, color, national origin, or income with respect to the development, implementation, and enforcement of environmental laws, regulations, and policies.” Ms. Davis will speak about national and more local environmental justice issues and will address what each of us can do to work for environmental justice for all in our Finger Lakes region.
