

Sustainability Perspectives

Roots and Fruits: The Foundations and Evolution of a Sustainable School

Founder **Barbara Post '78** and teacher **Alyssa Binns Gunderson** will explain how *Peachtown Elementary School* is a model for sustainable organizations. Founded in 1990 and built on a heterarchical model, *Peachtown* is an exemplar of social, economic, and environmental sustainability. Now in its 28th year, this small and unique school located on the Wells College campus has evolved to include the logical next step in environmental sustainability with a zero waste program.

Monday, April 9, 2018 from 12:20 – 1:20PM
deWitt Lecture Hall, Zabriskie Hall Room 106

All *Sustainability Perspectives* series events are free and open to the public. The series explores the concept of 'sustainability' from a variety of viewpoints.

Wells is committed to providing access to all events; anyone needing assistance should contact Marian Brown, Center for Sustainability and the Environment, at 315-364-3304 or by email at mbrown@wells.edu, as soon as possible.
