

# Sustainability Perspectives

## From Lab to Regulation: *How Should Science Inform Policy?*

**Jay Goodman**, associate counsel with *Couch White LLP*, specializes in energy and environmental matters for a legal firm with nationally-recognized leadership in the practice of energy law. Mr. Goodman represents clients with matters before federal and state regulatory agencies. Specifically, he has advised and assisted clients in project siting, regulatory compliance, utility rate issues, and the implementation of self-generation and gas bypass alternatives.

Friday, March 6, 2015 ~ 12:20 – 1:20PM  
Stratton Hall Room 209

The presentation is being held in conjunction with the ***Science Colloquium***.

This *Sustainability Perspectives* series event is free and open to the public. The series explores the concept of sustainability from a variety of viewpoints.

Wells is committed to providing access to all events; anyone needing assistance should contact Marian Brown, Center for Sustainability and the Environment, at 315-364-3304 or by email at [mbrown@wells.edu](mailto:mbrown@wells.edu), as soon as possible.

*The education of an extraordinary life.*
